CHORUS

CHORUS

          E   C#m           B                                   A  
You pulled me from darkness      And clothed me in garments of praise

E                    B   A  
Jesus forever      my song will be You

          E   C#m           B    A  
I'm living in freedom                You've taken my burdens away

E                    B   A  
Jesus forever      my song will be You, Only for You

## CHORUS

E    B  
For the cross that You bore    And the debt that You paid

  E/G#            A  
For the victory You won            Over death and the grave

  E  
This is the reason I sing

E    B  
For the hope that You give      And the joy that You bring

  E/G#            A  
For the promise that                Heaven Is waiting for me

  E  
This is the reason I sing

          E   C#m           B                                   A  
I will not be silent      I'll   te--stify of Your grace

E                    B   A  
Jesus forever      my song will be You                    Only for You!

## BRIDGE

C#m                    B   E                    E/G#            A  
So good    so good    You're so good to me

C#m                    B   E                    E/G#            A  
Forever    I'll sing    You're so good to me
